To Whom It May Concern,

It is with great pleasure that I am writing this letter of recommendation for John Berner. As a substitute teacher in the Durand School District, I have had the opportunity to observe John in many of his Tech Ed classes and am qualified to evaluate his performance.

As a full time teacher for over twenty five years, I have worked with many student teachers and John has been one of the best. When I am called to substitute for the Tech Ed Department, I know that everything will be taken care of in an efficient and orderly manner. John takes the initiative to make sure everything runs smoothly, whether he is working with cognitive disorder or main stream students. He is always willing to spend extra time with students; and above all, stresses the importance of safety.

It is my belief that John will be an excellent addition to your teaching staff and will display the proper knowledge and enthusiasm as he currently does with both Middle and High School students. If you are in need of any more information, I can be contacted at 715-831-6147.

Sincerely,

Don Bauer
